

Saratov, 15-th of October, 2014

— **AGC Glass Europe** —

is pleased to declare that the company

is able to process the following products in terms of  
pre-processing and heat-treatment

**ALL LOW-E AND SOLAR CONTROL  
COATINGS OF AGC**

It is the sole responsibility of the processor to adequately inspect the heat treatable coated glass before each step of fabrication and prior to installation. Failure to apply all professional standards, customary instructions and processing instructions (available on [www.yourglass.com](http://www.yourglass.com)) will automatically void any warranty regarding heat treatable glass of AGC. The processor has the full responsibility for the quality of the final product.

A handwritten signature in black ink, appearing to read 'Jean-Marie Sellier'.

Jean-Marie Sellier
